

Ascension Flash

10 MAY 2022

Dear Ascension Family,

Winter Warmth Drive

The wet weather we have experienced in recent months is an early indication that we are going to have an extremely cold winter season. It is that time of the year for us to come together and assist those who are less fortunate than ourselves. We will be collecting the following:

1. +- 120 warm jackets.
2. If we cannot assist with jackets please contribute financially towards their purchase.
3. "Double sided" blankets to be purchased from the communing engagement parish budget.
4. Any other warm items you can donate.
